

Fishburn Crescent Castle Hill NSW

Astrid is a visionary new residence evolved to satisfy the needs of our new world. Consisting of one, two, three-bedroom apartments and state of the art penthouses, Astrid is a dynamic safe haven where residents can nurture family and make lifelong memories. Yet it's an environment where working from home is not an imposition - but rather thoughtfully considered and facilitated for.

The fully furnished and private Astrid Lounge is where residents can put their work hat on uninterrupted, all the while being creatively motivated by the stunning pool area and gardens in view. Modern grandeur blends harmoniously with function. Contemporary elements embrace space, light and technological innovation.
